## MADE FROM GREAT INGREDIENTS, BY AWESOME PEOPLE!

The menus are accredited by the Soil Association - meaning all our meals are balanced and made from ingredients which are sustainably sourced and better for animal welfare.

OVER 80% OF OUR DISHES ARE FRESHLY PREPARED EACH DAY

ALL OF THE EGGS WE USE ARE FREE RANGE & RSPCA ASSURED

Our ingredients are sourced from local and UK suppliers wherever possible - a fact we love to show off through our partnership with Love British Food.

## Better for you, Better for the planet

We know how important it is to not only make sure that food is healthy but also better for the planet. When it comes to school lunches, we've been worrying about it so you don't have too.

By adding more plant based proteins such as red lentils and borlotti beans to our recipes we reduced our Co2 a whopping 77,660 kg.

That's the equivalent of driving a car from Lands End to John O'Groats over 300 times!
