

SATURDAY MUSIC THERAPY SERVICE

Ealing Quaker Meeting House

Music Therapy sessions
Term-time Saturdays, 9am-3pm

Does your child have Autism and additional needs? Music Therapy can help develop their social and communication skills, improve attention and awareness, manage anxiety, improve emotional wellbeing and help them deal with difficult emotions.

Our Saturday Service, delivered by an HCPC registered Music Therapist, provides individual and group Music Therapy to children who do not have access through their school.

Costs

Assessment (2 consultations + 3 therapy sessions): £260. Further 10 sessions + consultation: £575.

Financial support and payment plans available.
